GOVERNMENT OF TELANGANA
ABSTRACT

Constitution of the Telangana Power Planning and Coordination Committee (TGPPCC) for the State of Telangana to create an Apex committee for strategic planning and coordination of the entire power sector, Power Trading Committee (PTC) & Balancing & Settlement Committee (BSC) – Revision of Composition and Functions- Orders—Issued.

==========

ENERGY (POWER-II) DEPARTMENT

G.O.Ms.No. 33 **Dated: 08-09-2025**

Read:

G.O.Ms.No.21, Energy (Power-II) Department, Dated:12.05.2014.

O R D E R :

The Government of Telangana, in a strategic move to address the evolving and complex challenges of the state's power sector, hereby orders the reconstitution of Apex Committee called as the Power Planning and Coordination Committee (TGPPCC) and two Sub-committees Power Trading Committee (PTC) and Balancing & Settlement Committee (BSC). This new Apex committee is established to serve as the principal body for high-level, integrated, and strategic planning, policy direction, and coordination across the entire power value chain.

2. **Supersession of Previous Order:** This Order is issued in supersession of G.O.Ms.No.21, Energy (Power-II) Department, dated 12.05.2014, in so far as it relates to the issues that are explicitly laid out in this order.

3. **Establishment and Composition of the Apex Committee:** An Apex Committee, to be known as the Telangana Power Planning and Coordination Committee (TGPPCC), is hereby established with Mandate & Functions given in Annexure, with the following composition:

1) **Chairperson:** Principal Secretary, Energy Department.
2) **Member Convenor:** Chairman and Managing Director (CMD), TGTRANSCO
3) **Member:** Chairman and Managing Director, Telangana Power Generation Corporation (TGGENCO).
4) **Member:**Chairman and Managing Director, TGSPDCL
5) **Member:**Chairman and Managing Director , TGNPDCL
6) **Member:**Chairman and Managing Director, Singareni Collieries Company Ltd (SCCL)
7) **Member:** Vice Chairman and Managing Director, Telangana Renewable Energy Development Corporation (TGREDCO).

4. Roles of Key Stakeholders in the Committee: The committee's composition is designed to leverage the core competencies of each power utility for a unified approach to power sector planning:

- **Principal Secretary, Energy:** The Chairperson will provide the overarching policy direction for the entire energy sector, ensuring alignment with the government's strategic vision. He will also coordinate with various state and central government departments and agencies to facilitate the implementation of policies.

(p.t.o.)

- **CMD, TGTRANSCO:** As the transmission utility, TGTRANSCO will oversee the strategic management of the state's power grid, including transmission.
- **CMD, TGGENCO:** As the state's primary power generation utility, TGGENCO is responsible for generating power from its thermal and hydro plants, as well as planning and implementing new power projects to meet the state's energy demand.
- **VC&MD, TGREDCO:** As the nodal agency for renewable energy and energy efficiency, the TGREDCO is responsible for planning and preparing policies for renewable energy, promoting green initiatives, and establishing critical infrastructure like EV charging stations.
- **CMDs, DISCOMs:** The distribution companies, TGSPDCL and TGNPDCL, are responsible for the retail supply of power to consumers and for managing the distribution network. Their input is vital for addressing the financial health of the sector.
- **CMD, SCCL:** As a government-owned company, SCCL is the state's primary domestic coal supplier, with the Government of Telangana holding a significant 51% ownership stake. The company's operations are fundamental to the state's energy security, as it supplies coal for Telangana's thermal power projects. Furthermore, SCCL has diversified its operations beyond mining to become a major power producer itself.

5. **Establishment and Composition of PTC** - The Sub Committee known as Power Trading Committee (PTC) will carry out the functions as listed in Annexure with the following revised composition.

1) Director (Finance, Comml& HRD) /TGTRANSCO - Chairperson.
2) Director (Grid & Transmission Management) /TGTRANSCO - Member.
3) Executive Director (Commercial)/TGPCC - Member & Convener.
4) Chief Engineer /SLDC/TGTRANSCO - Member.
5) Chief Engineer (IPC & RAC)/TGSPDCL - Member
6) Chief Engineer (IPC & RAC)/TGNPDCL – Member

6. Establishment and Composition BSC – The Sub Committee known as Balancing & Settlement Committee (BSC) would carry out the functions as listed in Annexure with the following revised composition:

1) Director (Commercial) /TGSPDCL - Chairperson.
2) Executive Director (Commercial)/TGPCC - Member.
3) Chief Engineer /SLDC/TGTRANSCO --Member.
4) Chief Engineer /Transmission /TGTRANSCO — Member.
5) Chief Engineer /Power Systems /TGTRANSCO — Member.
6) Chief Engineer (IPC & RAC)/TGSPDCL – Member
7) Chief Engineer (IPC & RAC)/TGNPDCL - Member

} Convenor on Rotation basis for a Three months period

8) FA &CCA (Accounts & CFO)/TGTRANSCO — Member.
9) FA & CCA/TGPCC -Member.

7. Meetings: The Committees shall meet on a regular basis, or as required, to effectively discharge its functions.

8. Subsidiary bodies: The committee is hereby authorized to constitute sub-committees, task forces, or expert groups to formulate and implement detailed action plans for its broad mandates, including but not limited to, improving the financial health of the distribution companies.

SECTION OFFICER

ANNEXURE

(to G.O.Ms.No.33, Energy (Power.II) Department, Dt:08.09.2025)

MANDATE & FUNCTIONS

1) **The Telangana Power Planning and Coordination Committee (TGPPCC) shall have the following functions and responsibilities:**

- Provide strategic direction for the state's power sector, ensuring integrated planning across generation, transmission, and distribution.
- Approve long-term and short-term power procurement strategies for the State.
- Review and direct the implementation of all new generation, transmission, and distribution projects, including those related to conventional and renewable sources
- Act as the central body for implementing the State's green energy policies and achieving ambitious targets for renewable energy and energy efficiency.
- Develop and oversee strategies to improve the financial health and sustainability of the Distribution Companies (DISCOMs).
- Ensure resource security, particularly a reliable and cost-effective supply of coal from SCCL for thermal power plants.
- Resolve inter-utility commercial and operational issues and ensure seamless coordination between all stakeholders.
- Direct studies on new and emerging technologies such as pumped storage, battery energy storage, and green hydrogen.
- Examine all commercial issues related to bulk supply and all legal issues related to IPPs and other generators and advise the DISCOMs suitably.
- Guide, direct and approve the activities undertaken by PTC & BSC from time to time
- Direct TGTRANSCO, TGGENCO and distribution licensees to provide necessary information, requisite support and depute its staff for efficient discharge of its functions. TGTRANSCO, TGGENCO and distribution licensees shall extend all cooperation to TGPPCC in the matter, and
- Nominate a person to participate in SREB meetings who shall be authorized to represent the respective State at regional level

2) **The Power Trading Committee (PTC) shall have the following functions and responsibilities:**

- Responsible in the matters related to power procurement from all generators, scheduling load relief, if any, and issues related to SRLDC at the regional level. It shall also be responsible for inter-regional sales
- Governed by directions issued by TGPPCC from time to time and shall furnish report of compliance of directives to TGPPCC every month, and
- Through TGPPCC seek TGTRANSCO, TGGENCO and distribution licensees to provide necessary information requisite support and depute its staff for efficient discharge of its functions and TGTRANSCO, TGGENCO and distribution licensees shall extend all cooperation to PTC in the matter.

3) **The Balancing & Settlement Committee (BSC) shall have the following Functions and responsibilities:**

- Responsible to review energy accounting and billing for inter-utility trading of power and imbalance settlement according to TGPPCC guidelines.
- Monitor compliance of regulation for market operation by the distribution licensees and shall aid TGPPCC in resolving disputes amongst the distribution licensees.

(p.t.o.)

- Governed by directions issued by TGPPCC from time to time and BSC shall furnish report of compliance of directives to TGPPCC every month.
- Through TGPPCC seek TGTRANSCO, TGGENCO and distribution licensees to provide necessary information requisite support and depute its staff for efficient discharge of its functions and TGTRANSCO, TGGENCO and distribution licensees shall extend all cooperation to BSC in the matter.
- Undertake reconciliation of energy exchange and settlement of imbalances amongst distribution licensees based on the guidelines formulated in this regard and approved by TGPPCC.
